

DCLSA

DCLSA offers turnkey Ironmongery solutions for every building.

We stock and distribute a wide range of products under the DCLSA brand name.

Our products include a comprehensive range of locks, standard and master-keyed cylinders, locksets and ironmongery sundries.

DCLSA proudly produces all SABS Approved Naples, Tarpon Chrome plated locksets, and new 2, 3, and 4-lever reversible latch mortice locks.

The 2, 3 and 4-lever latch lock's patented South African design allows quick and hassle-free installations. DCLSA's locks are SABS approved and fit for the purpose specified.

Our locks passed the test of time with flying colours as they are put under rigorous one million testing cycles.

We have the utmost confidence in the quality, workmanship of the products we distribute. We stand by our products and services so that you are not being left stranded. DCLSA. Opening Opportunities.
